13 Mr. Banumiah has already agreed to pay Rs 10,000 and he may be asked to pay the amount so that the work may be taken up. Most Respected Sir,

I most respectfully beg to subnit the following few lines for your kind and generous consideration. My revered father who was a well-known and successful Ayurvedic Pandit and a great Sanskrit Scholar had cherished a great love for the learning of Ayurveda and as an expression of the same he desired to construct a suitable building in his own name for locating the Ayurvedic College. To our good fortune it became an accomplished one and my revered father had the good fortune of seeing its Opening Ceremony by our beloved Dewan Sahib Sir Mirza M.Ismail. The Building is in a most conspicuous important part of the City being close to the Sree Krishnarajendra Hospital and the Medical College.

The Ayurvedic College has become very popular and its fame has spread far and wide. I take this opportunity of thanking our benevolent Government for having made my father's object a realised one.

I now learn that the Government is contemplating to put up a Second Storey from the endowment of some Charitable person on the present Building and name it in the Donar's Name. In this connection I beg to submit that the contemplated arrangements will be opposed to the cherished sentiments of my father namely that the Building should be in his name only. My father's application and the Government

P.T.O.

correspondence will clearly prove this fact. The idea is also not appealing to me and to my family Members as well.

I, therefore, as a dutiful son of a revered father earnestly pray that if the putting up of 2nd Flour on the present Building which is in my father's name is a fact to kindly drop that idea and leave my father's charity independant. There is ample space to the North of the present Building where another independent Building may be constructed.

I once more pray and hope that the Government will kindly drop all ideas of disturbing the present Building, for which I most sincerely thank the Government and
